Pride of the lions.

AND YES rem is part of remember its no mistake it was hidden right in front of us till the veil was lifted

this will now mean much to many.

Jesus said here.

Eat this Bread ie crumbs clues and become part of me He is referring to the tree of knowledge. And also the blood or the water inside of us. Which he shed so we might lift the veil ie shroud he was buried in before he arose from the rock or the egg (shield) hence why the egg dominates for easter.

Oddly ^^^enough bread is also what Jesus bakes they are referencing Communion ie becoming one with God. And we are talking figuratively.

Hello Fren,

Remember > Rem and Ember

Rem > The deep healing sleep (Rem Sleep)

Ember > The small burning coal (Stone/Rock/Crystal)

Shroud = Veil

Veil is an anagram of Evil

Veil is also an anagram of Live

To lift the shroud is also a metaphor for the lifting of evil (with the shroud). To

Awaken from one's sleep, with just and ember to start the Phi_re.

Thus from Evil, we lift The Shroud (the Veil), in order to Live. <

Blessed are The Bread BakerS.

Those that can collect the crumbs left for us. Just crumbs.

And God is spelled with a capital G.
